FY2026 Toki City National Health Insurance subscribers

Information for Particular detailed Medical Examination Form

「人間ドック」のご案内

Please contact us if you would like to undergo the detailed examination.

This examination is available only to people who are enrolled in the City National Health Insurance and have paid all insurance premiums.

Please note: Even if you are enrolled in the National Health Insurance when you apply, you cannot take the examination if you are covered by a different health insurance plan on the day of the examination.

The Tokutei Kenshin (Specific Health Checkup) coupon and the Ningen Dock application form will be sent together in the same envelope.

Please choose one of the following health checkup options:

Tokutei Kenshin (Specific Health Checkup) – A basic health screening.

Ningen Dock (Comprehensive Health Checkup) – A more detailed health examination.

You cannot receive both examinations during the same fiscal year.

If you choose the Ningen Dock, you may receive a subsidy from the city of up to ¥11,000 toward the examination fee.

Please note that if you receive both the Tokutei Kenshin and the Ningen Dock during the same fiscal year, you will be required to repay the Ningen Dock subsidy (up to ¥11,000).
