# Garbage Separation Promotion App Available from April 1, 2024!

さんあ～る® for iPhone for Android

Have you ever wondered how to sort your trash or what day it should be collected?"

Garbage sorting application "three R" is an application with functions to easily search for garbage sorting methods and to inform you of garbage collection dates.

Separation Guide

- You can check how to dispose of garbage, how to sort it in detail, and precautions.

Classification Search

- You can search for sorting methods by the name of the garbage item.

Calendar

- By setting your region, you can see the collection dates in a calendar format.

Notification Function

- There is a function to remind you of the collection date with an alarm.
